

## NEET -

National Testing Agency (NTA) will conduct the NEET Exam for MBBS entrance (National Eligibility cum Entrance Test) and this will be used for admission in MBBS and BDS colleges in India along with Ayush Courses. **NEET** will be conducted in the first week of May through offline (pen & paper) mode. The application process of NEET will get started in the **first week of December**. **CBSE has decided to reduce the syllabus from Class IX to XII and this could also have an impact on the syllabus of NEET.** However, for those who are in class 11 or 12, their focus should be complete syllabus.

[NEET syllabus](#) is divided into four subjects: [Physics](#), [Chemistry](#), [Botany](#), and [Zoology](#). Students need to complete all the 97 chapters of the NEET Syllabus in order to score a good rank in NEET Exam.
